## Power of Attorney For Patent Matters

Power of Attorney is granted by The Standard Oil Company, a corporation of Ohio, USA, (the "Company") to:

Stephen L. Hensley,  
Richard A. Kretchmer  
Scott P. McDonald,  
Wallace L. Oliver,  
Robert E. Sloat, and  
Frank J. Sroka

RECEIVED  
OCT - 4 2002  
TC 1700

to take necessary action, including approval and execution of documents, on behalf of the Company relating to:

- a. filing, prosecution, issuance, maintenance, or abandonment of a patent, application for a patent, or other intellectual property right in any country, including the United States of America;
- b. filing, prosecution, maintenance, or abandonment of an application for a patent under the Patent Cooperation Treaty;
- c. granting or revocation of powers of attorney in connection with a patent, application for a patent, or other intellectual property right before any governmental or international body including the United States Patent and Trademark Office and corresponding patent offices in other countries;
- d. initiation and prosecution of appellate proceedings or proceedings of interference, reexamination, opposition, or revocation, including filing of preliminary statements, pleadings, concessions of priority, disclaimers, settlements, and abandonments of contests or inventions, in connection with a patent, application for a patent, or other intellectual property right;
- e. providing consent on behalf of the Company, as assignee of a patent or application of a patent, for matters before the United States Patent and Trademark Office and corresponding patent offices in other countries; and
- f. filing statutory disclaimers with respect to any patent, patent claim, or patent application in any country, including the United States of America.

This Power of Attorney for each above-named person is valid until specifically revoked by the Company.

THE STANDARD OIL COMPANY
